

# About The Project

Learn about why this website was created as well as a little bit of information about its creators.

## Purpose

This assignment is for IS117-101 Fall 2020. This project is designed to be a large resource of information about the internet. It's a combination of two prior sites worth of information. This website will have major design improvements.

## About Sean

My name is Sean Rogawski. I'm a senior at NJIT. This is one of my final projects. I've learned a wealth of web development skills and am here to showcase those skills.
